

The Parenting Beyond Belief

S E M I N A R

**a half-day workshop on parenting without religion
sponsored by the Humanist Society of New Mexico
and the UNM Humanist Society**

- How does moral development really work?
- My mother-in-law wants our kids baptized. How can I respond without causing a rift?
- How can I ease my son's fears about death without pretending there's an afterlife?
- How can kids learn about religion without being indoctrinated into religion?

Over nine million parents in the U.S. are raising children without religion. The **PARENTING BEYOND BELIEF SEMINAR**, a unique half-day workshop with author and educator Dale McGowan, offers encouragement and practical solutions for secular parenting in a religious world.

Based on the freethinking philosophy of the book Newsweek called "a compelling read," the **PARENTING BEYOND BELIEF SEMINAR** is empowering secular parents across the country to raise ethical, caring, confident kids without religion.
